MoSCoW

Must

- As a user, I want to create an account to be able to participate in the matching
- As a user, I want to join the matching to be able to participate in a meeting related to my problems
- As a user, I want to have info about my upcoming meeting to know the date, time, location and how people are going to be there
- As a user, I want to cancel my participation for future matching to stop going to meetings
- As a user, I want to have public matchmaking so I can be put into meetings with other people with similar problems

Should

- As a user, I want to read about various topics related to meetings and common problems to be more informed
- As a user, I want to get an overview of my account to be able to change something if necessary
- As a user, I want to get a notification for my upcoming meeting so that I don't forget about it
- As a user, I want to see my past meetings to get info about past meetings
- As a user, I want to commend (award) other people from my last meeting to complement them

Could

- As a user, I want to leave feedback on my most recent meeting to help improve future meetings
- As a user, I want a prompt after a meeting to reflect on my experience from that meeting
- As a user, I want to open the meeting location in Apple/Google Maps so I can get there easily
- As a user, I want to add my upcoming meeting to my calendar so that I don't forget about it
- As a user, I want to specify my availability, so I get meetings that are convenient for me
- As a user, I want to have a visual indicator to see the progress of dealing with my problems
- As a user, I want to have private matchmaking so that I can have a meeting with specific people
- As a user, I want to award other people after a meeting so I can show that they did well during a meeting
- As a user, I want discussion cards so that a meeting has a proper kick-off
- As a user, I want to keep track of my progress so I know what I need to work on

Won't

- As a user, I want to chat with other people through the app so that I can communicate with them about our problems
- As a user, I want to be able to contact a therapist/coach/professional so that they can help me with my problem
